- STATE ATTENDANCE COUNT DATES - September 22, 2018 and January 11, 2019**
 On these dates, the Wisconsin Department of Instruction requires all schools to verify attendance of students. All students will need to log on and complete one lesson in each class. It is imperative that each student is “counted” by the State of Wisconsin. **Failure to attend school on count dates could result in the state voiding your open enrollment status.**
- TESTING SCHEDULE will be announced at a later date.** Testing is generally done in February, March and April. Students enrolled in WVA in grades 6-11 are required to participate in Wisconsin’s standardized testing. WVA is required by state and federal law to administer these tests. A major responsibility of students and parents is to make certain students take these tests as directed. **Failure to take the state-required tests could result in dismissal from WVA.**
